BULLETIN 2008-3 MISSISSIPPI DEPARTMENT OF INSURANCE WITHDRAWAL OF BULLETIN 2008-2

March 7, 2008

On February 13, 2008, the Mississippi Department of Insurance ("Department") issued Bulletin 2008-2, which requested that all property and casualty insurance companies writing homeowners personal lines residential insurance property coverage in the State of Mississippi with property claims filed in calendar year 2007, provide the Department with specific information regarding the progress of these claims.

The intent of this information request was for the Department to determine the status and progress of Mississippi claims filed in calendar year 2007. However, it has become apparent that the information requested in Bulletin 2008-2 may not provide the Department with all of the information it needs to adequately determine how insurance companies are handling these property claims.

Therefore, the Department is hereby withdrawing Bulletin 2008-2. The Department will study this matter further and will issue a new Bulletin at a later date that will provide more guidance to insurance companies as to the specific information requested and the manner in which it shall be provided to the Department.

Should you have any questions concerning this letter or the information requested herein, please contact the Legal Division at the Mississippi Department of Insurance at (601) 359-3577.
