Re: Denial of Temporary Industrial Life & Health License

Dear Mr. Jones:

Please be advised that the Mississippi Department of Insurance (Department) has carefully reviewed and considered your application for a Temporary Industrial Life & Health producer's license in the State of Mississippi. The Department wishes to advise you that your application has been DENIED.

On November 13, 2008 the Department sent you correspondence by certified mail to your last known address advising you that pursuant to ~~Miss. Code Ann. § 83-17-71(4) (Supp. 2005)~~ the Commissioner of Insurance may refuse to issue or renew a license for failure to comply with a child support obligation. Said correspondence is attached hereto as Exhibit "A."

It is the Commissioner's position that he will not issue a license while a child support obligation is delinquent. The initial correspondence requested either evidence that your child support is current or notification within ten (10) days of a request for a hearing on this matter. The documentation you provided to us indicates that you have failed to pay your child support obligations. If you have any additional questions, please do not hesitate to contact me at 601-359-3577.

With kindest regards, I remain,

Sincerely,

A handwritten signature in black ink, appearing to read "Christina Kelsey", written over a horizontal line.
