RE: License Application

Dear Mr. Klaus:

Please be advised that I have carefully reviewed and considered your application for an insurance producer's insurance license in the State of Mississippi. The Department wishes to advise you that your application has been **DENIED**.

On January 20, 2015, the Department sent you a notice by certified mail to your last known address advising you that the Mississippi Department of Insurance cannot grant an applicant a producer license while serving a probationary period. Once the probationary period is completed successfully and our office receives documentation reflecting same, then you can reapply for a license. You were also advised that as an alternative, you could have withdrawn your application for a privilege license by service of a written request to the Department. A copy of said notice is attached hereto as **Exhibit "A"**. As of this date, no written request has been received by the Department.

Pursuant to Miss. Code Ann. § 83-17-221, you are entitled to a formal hearing before this Department regarding your application for a privilege license. Please notify this Department, within ten (10) days, if you wish to proceed with a formal hearing.

Please feel free to contact me, if you have any questions regarding this matter and your written response should be directed to my attention.

Respectfully,

MIKE CHANEY
 COMMISSIONER OF INSURANCE
