Re: Application For Written Consent to Engage in the Business of Insurance

Dear Mr. Belew:

The 1033 Committee of the Mississippi Department of Insurance has met and duly considered your "Application For Written Consent To Engage In The Business Of Insurance" which you filed pursuant to 18 U.S.C. Section 1033.

After careful consideration of your Application and the attachments thereto, and other pertinent evidence, the Committee recommended that the Commissioner not grant you written consent to engage in the business of insurance as a life, health and accident agent. Having further reviewed this matter, the Commissioner of Insurance concurs in the Committee's recommendation. Accordingly, you are hereby **denied** written consent to engage in the business of insurance in this State as a life, health and accident agent.

Finally, please be advised that pursuant to Miss. Code Ann. § 83-17-71 (2) (Supp. 2005), you are entitled to a formal hearing before this Department regarding your application and you were advised to notify the Department, within ten (10) days, if you wish to proceed with a formal hearing and it will be scheduled within 30 days.

Any questions about this process should be directed to my attention at 601-359-3577.

With kindest regards, I remain,

Sincerely,
