

Part 1 Chapter 32: (2005-2) Special Mediation Program for Personal Lines Residential Insurance Claims Resulting from Hurricane Katrina.

Rule 32.01: Authority

The 2005 Hurricane season has been extremely destructive for Mississippi. Extensive and devastating damage was caused by Hurricane Katrina, which hit the Mississippi Gulf Coast on August 29, 2005, as a category 4 hurricane. Hurricane Katrina continued northward, blanketing the State and causing widespread major damage to homes, loss of personal belongings and corresponding loss of employment.

In response in part to the devastation of Hurricane Katrina, Senate Bill 2381, 2006 Regular Legislative Session, was passed by the Mississippi Legislature, signed by Governor Barbour on March 1, 2006, and made effective that date. Pursuant to Senate Bill 2381, the Commissioner of Insurance has the authority to establish a non-adversarial alternative dispute resolution procedure for the handling of personal lines residential insurance claims.

This Regulation is promulgated by the Commissioner of Insurance pursuant to the authority granted to him by Miss. Code Ann. §§ 83-5-1; 83-5-29 through 83-5-51; and 83-17-1 through 83-17-89 (Rev. 2001), Senate Bill 2381, 2006 Regular Legislative Session; as well as the provisions of Mississippi Department of Insurance Regulation No. 88-101, said regulation being the Rules of Practice and Procedure before the Mississippi Insurance Department.

Rule 32.02: Purpose and Scope

This regulation establishes a special mediation program for personal lines residential insurance claims resulting from Hurricane Katrina. It creates procedures for notice of the right to mediation, request for mediation, assignment of mediators, payment for mediation, and the conduct of mediation proceedings.

Before resorting to these procedures, insureds and insurers are encouraged to resolve claims as quickly and fairly as possible. The procedures established by this regulation are available to all first party claimants prior to commencing either litigation or the appraisal process, who have personal lines claims resulting from damage to residential property in Mississippi caused by Hurricane Katrina. Insureds that have elected to commence the appraisal process under their policies must first complete that process prior to being eligible to request the mediation procedures established hereunder. This regulation does not apply to commercial insurance (including forced-placed lender protection programs), private passenger motor vehicle insurance or to liability coverage contained in property insurance policies.

The mediation procedures established under this regulation shall not be available to the insured where the underlying issue is whether the policy was canceled, non-renewed or lapsed prior to the loss resulting from Hurricane Katrina. Insureds may submit these issues to the Consumer Assistance Division of the Department for review.

Rule 32.03: Definitions

- A. "Administrator" means the American Arbitration Association.
- B. "Claim" means any matter on which there is a dispute or for which the insurer has denied payment. Unless the parties agree to mediate a claim involving a lesser amount, a claim involves a dispute in which the difference between the positions of the parties is \$500.00 or more. Claim does not include a dispute with respect to which the insurer has reported allegations of fraud to the Department, based on an investigation by the insurer's special investigative unit.
- C. "Department" means the Mississippi Department of Insurance or its designee.
- D. "Insurer" means only those companies subject to the jurisdiction of the Department as provided in Miss. Code Ann. § 83-5-1 (Rev. 1999), and which provide personal residential property insurance coverage in the State of Mississippi. (Rev. 1999), and the Mississippi Windstorm Underwriting Association. The term insurer shall not include the National Flood Insurance Program.
- E. "Mediator" means an individual selected by the Administrator designated by the Department to mediate disputes pursuant to this regulation. Rule 32.04: Notification of the Right to Mediate

Use of this letter by insurers will satisfy the notification requirements of this Section.

Rule 32.05: Request for Mediation

After 10 days from the date of the notice, an insured may request mediation by writing the Administrator at American Arbitration Association, Attn. MS Insurance mediation, 13455 Noel Road, Suite 1750, Dallas, TX 75240; by calling the Administrator at 1-800-426-8792; by faxing a request to the Administrator at 972-490-9008; or by contacting the Administrator on-line at Msinsmediation@adr.org.

The insured should provide the following information, if known:

- B. The claim and policy number for the insured;
- C. A brief description of the nature of the dispute;

Rule 32.06: Scheduling of Mediation

The Administrator will select a mediator and the Administrator will schedule the mediation conference. The Administrator will attempt to facilitate reduced travel and expense to the parties and the mediator when selecting a mediator and scheduling the mediation conference. The Administrator shall confer with the mediator and all parties prior to scheduling a mediation conference. The conference shall be scheduled within 20 days from the date the Administrator received the request. The Administrator shall notify each party in writing of the date, time and place of the mediation conference at least 10 days prior to the date of the conference and concurrently send a copy of the notice to the Department. The insurer shall notify the

Administrator as soon as possible after settlement of any claim that is scheduled for mediation pursuant to this regulation.

Rule 32.07: Mediation Conference

- A. The representative of the insurer attending the conference must bring a copy of the policy and the entire claims file to the conference. Disclosure of material from the claims file is within the discretion of the mediator, and the mediator shall avoid production of privileged materials. The representative of the insurer attending the conference must know the facts and circumstances of the claim and be knowledgeable of the provisions of the policy. An insurer will be deemed to have failed to appear if the insurer's representative lacks authority to settle the full amount of the claim or lacks the ability to disburse the settlement amount at the conclusion of the conference.
- B. A party may move to disqualify a mediator for good cause at any time. The request shall be directed to the Administrator if the grounds are known prior to the mediation conference. Good cause consists of conflict of interest between a party and the mediator, inability of the mediator to handle the conference competently, or other reasons that would reasonably be expected to impair the conference.
- C. The insurer shall pay the costs of the mediation. Within 5 days of the insurer's receipt of the request for mediation, the insurer shall pay a non-refundable administrative fee in the amount of \$100.00 to the Administrator, which shall be used to defer the expenses of the Administrator. The insurer shall also pay \$250.00 to the Administrator for the mediator's fee not later than 5 days prior to the date scheduled for the mediation conference. However, if the mediation is cancelled for any reason more than 120 hours prior to the scheduled mediation time and date, the insurer shall pay \$50.00 to the Administrator for the mediator's fee instead of \$250.00. No part of the fee for the mediator shall be refunded to the insurer if the conference is cancelled within 120 hours of the scheduled time.
- D. If the insured fails to appear, without good cause as determined by the Administrator, the insured may have the conference rescheduled only upon the insured's payment of the mediation fees for the rescheduled conference. If the insurer fails to appear at the conference, without good cause as determined by the Administrator, the insurer shall pay the insured's actual expenses incurred in attending the conference and shall pay the mediator's fee whether or not good cause exists. Failure of a party to arrive at the mediation conference within 30 minutes of the conference's starting time shall be considered a failure to appear. Good cause shall consist of severe illness, injury, or other emergency which could not be controlled by the insured or the insurer and, with respect to an insurer, could not reasonably be remedied prior to the conference by providing a

replacement representative or otherwise. If an insurer fails to appear at conferences with such frequency as to evidence a general business practice of failure to appear, the insurer shall be subject to penalties under Miss. Code Ann. § 83-5-29 et seq. and other applicable law.

- E. The Department reserves the right to have a representative present at any mediation conference conducted pursuant to this regulation.
- F. The mediator will be in charge of the mediation conference and will establish and describe the procedures to be followed. Each party will be given an opportunity to present their side of the controversy. In so doing, parties may utilize any relevant documents and may bring any individuals with knowledge of the issues, such as adjustors, appraisers, or contractors, to address the mediator. The mediator may meet with the parties separately, encourage meaningful communications and negotiations, and otherwise assist the parties to arrive at a settlement. The parties may be represented by counsel at the mediation conference. A party who will be represented by counsel at the mediation conference must notify the Administrator at least 10 days prior to the date scheduled for the mediation conference. All statements made and documents reviewed at a mediation conference shall be deemed settlement negotiations in anticipation of litigation.
- G. Both parties must negotiate in good faith at the mediation conference. A party will be determined to have not negotiated in good faith if the party or a person participating on the party's behalf, continuously disrupts, becomes unduly argumentative or adversarial, or otherwise inhibits the negotiations as determined by the mediator. The mediator shall terminate the conference if the mediator determines that either party is not negotiating in good faith.

Rule 32.08: Post Mediation

- A. Within 5 days of the conclusion of the mediation conference the mediator shall file with the Department and the Administrator a mediator's status report indicating whether or not the parties reached a settlement. If the parties reached a settlement, the mediator shall include a copy of the settlement agreement with the status report.
- B. Mediation is non-binding. However, if a settlement is reached, the insured shall have 3 business days within which he or she may rescind any settlement agreement provided that the insured has not cashed or deposited any check or draft disbursed to him or her for the disputed matters as a result of the mediation conference. If a settlement agreement is reached and is not rescinded, it shall act as a release of all specific claims that were

presented and actually settled. However, the release shall not constitute a final waiver of rights of the insured with respect to claims for damages or expenses if circumstances that are reasonably unforeseen arise resulting in additional costs that would have been covered under the policy but for the release.

- C. If the insured decides not to participate in the mediation process or if the parties are unsuccessful at resolving the claim, the insured may choose to proceed under the appraisal process set forth in the insured's insurance policy, by litigation, or by any other dispute resolution procedure available under Mississippi law. Nothing in this regulation shall preclude an insured's right to pursue these remedies should mediation be unsuccessful.
