

Merry
CHRISTMAS
AND
Happy
NEW YEAR!

Happy Holidays !

Just days away from one of the most special days of the year, we should all remember Christmas is a time of giving, reflecting and reaching out to help provide for those less fortunate than ourselves.

It is my honor to lead and serve alongside the staffs of the Mississippi Insurance Department and the Mississippi State Fire Marshal's Office as we work every day to help all the people of our great state. This year, 2017, has been challenging but I am proud of our efforts on behalf of Mississippians. As we look forward to 2018, I am confident we will do our best to address all the new challenges that await.

I ask that, this Christmas season, we all take the time to help others. As you share blessings with families and friend, I wish you peace on Earth and good tidings of great joy. On behalf of the of the employees of the Mississippi Insurance Department and State Fire Marhsal's Office, and from my family and me, we wish you a Merry Christmas and a Happy New Year! May joy and prosperity greet you in 2018.
